

14th March 2008:

Nvolve Wins Innovation Award at Annual Enterprise Event

Nvolve Limited won the Innovation Award at the Annual Enterprise awards. The award ceremony took place in Solis Lough Eske, Donegal Town, Co Donegal on the 14th of March 2008

Lee Tedstone, sales and marketing director, who collected the award, said "We are delighted that Nvolve has been recognised for creativity and innovation in business".

Nvolve specialises in providing training and compliance management to organisations, helping them train staff faster, more cost effectively and at a higher quality than leading competitors. Organisations like Pure People, Hastings Estates and InverCaion Technologies can train hundreds of people in manual handling, health and safety, food hygiene, HACCP in less than a week by using Nvolve's unique training technology.

Implementation of the Nvolve Response solution is helping many companies in Ireland, the UK and North America to manage their training and compliance processes at a fraction of the time and cost of the traditional paper based or standard LMS approach. These tasks are normally essential and/or critical for compliance purposes and management reporting. In most cases this can be extremely time consuming, highly costly and distracting from core business activities.

Nvolve Limited (UK, Ireland, North America) are specialists in the development of learning technologies including learning management systems, Learning content management systems, elearning, blended learning, training keypads and handsets, talent management and data systems. Their focus within elearning is Food hygiene, HACCP, Health & Safety, Food Manufacturing, Pharmaceutical regulations, Medical Devices, IT Regulations, Compliance.
